

Dear Guest,

Due to ongoing kitchen renovations which are expected to last several weeks, we have made some adjustments to our restaurant menu to ensure that we can continue to provide you with optimal and appealing service during this time, thus avoiding a complete closure of the restaurant.

- You will find our specially selected restaurant offerings in this menu.
- The offerings have been reduced and are now presented under the category 'Holland Casino Classics', featuring the most popular and highly rated dishes from our menu, supplemented by a daily changing special.
- You can now create a 3-course menu from a selection of starters, mains, and desserts for a special price of 25.00 Euros.

While these necessary adjustments may alter your dining experience slightly from what you are accustomed to, our staff will always strive to provide you with the best possible service. We appreciate your understanding in this matter.

We are delighted to welcome you to our restaurant and wish you a delightful dining experience on behalf of all our colleagues!
